

Safety Data Sheet

According to REACH Regulation (EC) No.1907/2006, Annex II

PRODUCT NAME / CODE: 350177

Date of issue: 26/08/2009

1. Identification of substance / preparation

- Trade Name: atmosphere air freshener
- Use of the substance /preparation:
- Company/undertaking identification

Overseas Trading Limited,
Top Floor Tayson House,
Methley Road,
Castleford,
WF10 1PA
Tel: +44 (0)1977 512 244
Fax: +44 (0) 1977 512 688
Email: sales@otltd.co.uk

Further information available from: www.otltd.co.uk

Emergency telephone: +44 (0)1977 512 244

2. Hazards identification

Eye Contact: Causes irritation, experienced as discomfort or pain.

Skin Contact: Prolong contact may cause skin irritation.

Inhalation: Excessive exposure may be irritating to the respiratory tract.

Ingestion: May cause headache, dizziness, in coordination, nausea, vomiting, and general weakness.

3. Composition / information on ingredients

EC Chemical name	CAS / EINECS Number
WATER	7732-18-5
FRAGRANCE	N/A
EHTYL ALCOHOL	64-17-5
PEG-40 CASTOR OIL	61791-12-6

4. First aid measures

Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately.

Skin Contact: In case of contact, immediately wash skin with soap and copious amounts of water. If irritation persists, call a physician.

Inhalation: Remove to fresh air.

Ingestion: Toxic by ingestion. Seek medical attention immediately. Call a poison control center or doctor for treatment advice.

5. Fire-fighting measures

Extinguishing Media: Foam, Carbon Dioxide, Dry Chemical, Water Spray

Special Fire-Fighting Procedures: No special Procedures

6. Accidental release measures

Waste Disposal Method: Must be in accordance with applicable laws and regulations.

Procedure to be followed in Case of Leak or Spill: Mop on inert material. Collect in a sealed container, approved for disposal. Flush area with water to clean up small amounts and reduce the hazard of a slippery floor.

Procedure of Personal Precautions

Wear self-contained breathing apparatus, rubber boots, and heavy rubber gloves.

Disposal of Substance: Contact a licensed professional waste disposal service to dispose of this material. Observe all federal, state, and local environmental regulations.

7. Handling and storage

Handling: Avoid getting in eyes, on skin and on clothing. Avoid prolonged or repeated exposure.

Handling: Store at normal room temperature away from the reach of small children. Keep product sealed.

8. Exposure controls / personal protection

Specific control parameter:

Personal protective equipment: not required in normal use

General precautions: not required in normal use

Respiratory protection: not required in normal use

Hand protection: not required in normal use

Eye protection: not required in normal use

Hygiene measures: not required in normal use

9. Physical and chemical properties

Odor: Multi-Flavored

Appearance: Clear Liquid

Solubility in Water: Soluble

Specific Gravity: 1

PH: 7-8

Boiling Point: N/A

Melting Point: <0°

Vapor Pressure (MPA.): N/A

Flash Point: N/A

Flammable Limited(LEL): N/A

Flammable Limited(UEL): N/A

10. Stability and reactivity

Stability: Stable under normal conditions.

Dangerous Reactions: None.

Material to Avoid: Avoid strong oxidizing agents.

Decomposition Products: May include oxides of carbon, unidentified organic compounds.

11. Toxicological information

TOXICOLOGICAL INFORMATION: No acute or chronic toxic effects expected when used according to directions.

12. Ecological information

Environmental toxicity: no data

Persistence and degradability: no data

Other adverse effects: no data

13. Disposal considerations

Product: no data

European Waste catalogue: no data

Packaging: no data

14. Transport information

Land transport ADR/RID: N/A

Maritime transport IMDG: N/A

Air transport IATA/ICAO: N/A

15. Regulatory information

Warnings: Keep out of reach of children.

Note: Do not store extreme hot or cool area.

16. Other information

Third party materials:

If third-party materials not supplied by Overseas Trading Limited are used in conjunction with the product listed in this document, it is the customer's responsibility to obtain all of the technical data and other properties relating to these other materials/preparations from the supplier or manufacturer. No liability can be accepted in respect of the use of Overseas Trading products in conjunction with other materials.
